What Next

We would love the opportunity to be a part of your very special day. To give you a full personalised quote we need to know about your wedding specifics and of course all about your wonderful dog/s.

First go to our website www.karekanine.com and click on any of the 'enquire' or 'book' buttons. You can also download the Time To Pet App from your phone's app store for free and this will also allow you contact our bookings team.

After entering your name and email address, you can make a request for your personalised quote questions or request a call-back. From there, one of our booking specialists will help you through the process and 50% deposit. Setting up an account will not lock you into a booking but it is the best way for us to ensure we get all your information and requests, to make your wedding day go as smoothly as possible.

All boarding and daycare service can be booked with or without a wedding package and can yes, we can care for your guests dogs as well!

We look forward to hearing from you soon!
